Re: XPO Logistics Freight Inc.  
Case 12-CA-179859

**EXTENSION OF TIME TO FILE EXCEPTIONS AND  
BRIEF IN SUPPORT OF EXCEPTIONS**

The Respondent requests a second extension of time to file exceptions and a brief in support of exceptions because of a recent substitution of counsel and because it intends to initiate settlement discussions with the parties that may obviate the need for further litigation in this and other related cases involving the same parties. The Region does not oppose the request, but the Charging Party opposes the request. The due date for the receipt in Washington, D.C. of exceptions to the Administrative Law Judge's Decision and brief in support of exceptions is extended to **May 11, 2018**. This extension of time to file exceptions and brief in support of exceptions applies to all parties. If the Respondent does not initiate settlement discussions forthwith, any party may file a request asking the Board to move up the filing deadline for exceptions and briefs.
